INFORMATION FOR AUTHORS

Manuscripts (three copies) for publication should be sent to the managing editor or to an appropriate associate editor. Contributed papers should be written in good English.

The title of the paper and the names of the authors are followed by a short Abstract, Key - words and AMS Subject Classification of the paper. References, including titles of papers, should be given in the form adopted by Mathematical Reviews.

If the paper is accepted, the author will be asked to send the text on an IBM PC compatible diskette, or by e-mail to the e-mail address given below. In this case, the text should be prepared using $\mathcal{A}\mathcal{M}\mathcal{S}$ - $\mathcal{T}\mathcal{E}\mathcal{X}$, with the AMS preprint style (`amsppt.sty`), or using $\mathcal{A}\mathcal{M}\mathcal{S}$ - $\mathcal{L}\mathcal{A}\mathcal{T}\mathcal{E}\mathcal{X}$, with the AMS article style (`amsart.sty`). In both cases use:

magnification: `magstephalf` or `11pt`
page height: `7.5truein`
page width: `5truein`

If the text includes the pictures, the PCX format (`*.pcx`) is required.

Authors are provided 30 free reprints of published articles.

Correspondence concerning both manuscripts and library exchanges should be sent to the Librarian.
