INSTRUCTIONS TO AUTHORS

1. *Kragujevac Journal of Mathematics* is a periodical for mathematics. **Paper Acceptance Criteria**: originality, scientific significance, presentation clarity and satisfied condition that the paper is not published nor submitted elsewhere.

2. The submitted contributions must be in English. Texts not written in English will not be considered for publication.

3. The papers should be written as usual in scientific journals and typed in TeX or LaTeX. For details see the articles in the latest issues of this Journal or visit the web-page "All issues" on the Journal's web-site `http://kjm.pmf.kg.ac.rs/`.

4. An author can submit a paper (preferably in pdf-format)
   - using the online submission tool located on the Journal's web-site
     `http://kjm.pmf.kg.ac.rs/`
     creating a unique account and then following the instructions for submission. Once created, the account can be used for monitoring the reviewing process of submitted paper as well as for all later submissions; or
   - via e-mail `krag_j_math@kg.ac.rs`.

   When submitting, the author must include a statement that his or her paper satisfies the Paper Acceptance Criteria (see 1).

5. All papers are refereed.

6. Once the paper is accepted for publication, the author is required to produce a final version of the paper in an electronic form, that should be sent via e-mail.

7. The author will receive 20 reprints of his or her article free of charge. Additional reprints may be ordered.
