

INSTRUCTIONS FOR AUTHORS

Manuscripts should be submitted by e-mail. They are expected not to exceed 16 printed pages. Each paper should be accompanied by an abstract and should bear the five-character Mathematics Subject Classification code.

Formulas should be displayed **only** if they must be numbered for future reference or if they are too long or complicated. Please **do not** number formulas which are not referred to.

Only **standard** abbreviations for names of journals (see Zentralblatt MATH) should be used in references.

Please prepare your manuscript in L^AT_EX (template, containing detailed instructions, is available at journal site) and send figures/illustrations as **eps** files (each figure/illustration in a separate file).
