

Foreword

The current Issue of Volume 47 of the *Theoretical and Applied Mechanics* is mainly devoted to the 7th International Congress of the Serbian Society of Mechanics, held in Sremski Karlovci, Serbia, from June 24 to 26, 2019, http://ssm.org.rs/archive/congress_2019/index.html.

The papers by P. Van; D. Zorica; M. Rakin, B. Medjo, N. Gubeljak, and A. Sedmak; M. Minglibayev, A. Prokopenya, and O. Baisbayeva; and M. Cajić, D. Karličić, S. Paunović, and S. Adhikari originated in their plenary or minisymposia talks at the Congress. All manuscripts have passed through an additional peer-review process, according to the usual standards and procedures of the Journal.

The International Congresses of the Serbian Society of Mechanics (Kopaonik 2007, Palić 2009, Vlasina Lake 2011, Vrnjačka Banja 2013, Arandjelovac 2015, Tara Mountain 2017) continue the tradition of the previous Yugoslav Congresses, from the first one held in Bled in 1952, to the 25th Yugoslav Congress, held in Novi Sad in 2005.
