

*Theoretical and Applied Mechanics* (TAM) is an open access peer reviewed journal. TAM invites submission of original scholarly work in all fields of theoretical and applied mechanics. TAM features selected high quality research articles that represent the broad spectrum of interest in mechanics. The Journal publishes one volume with two issues per year, in June and December.

EDITOR-IN-CHIEF

**Vladimir Dragović**, Mathematical Institute SANU, Belgrade, Serbia;  
University of Texas at Dallas, USA

EDITORIAL BOARD

**Ranislav Bulatović**, University of Podgorica, Montenegro

**Alfio Grillo**, Politecnico di Torino, Italy

**Božidar Jovanović**, Mathematical Institute SANU, Belgrade, Serbia  
(Deputy Editor-in-Chief)

**Velimir Jurdjević**, University of Toronto, Canada

**Miloš Kojić**, Serbian Academy of Sciences and Art, Serbia;  
Houston Methodist Research Institute, USA

**Antony Kounadis**, National Technical University, Athens, Greece

**Valery V. Kozlov**, Russian Academy of Sciences;  
Steklov Mathematical Institute, Moscow, Russia

**Mihailo Lazarević**, University of Belgrade, Serbia

**Vlado Lubarda**, University of California, San Diego, USA

**Siniša Mesarović**, Washington State University, USA

**Milan Mićunović**, University of Kragujevac, Serbia

**Ingo Müller**, Technical University Berlin, Germany

**Aleksandar Obradović**, University of Belgrade, Serbia

**Nataša Pavlović**, The University of Texas at Austin, USA

**Alexander Seyranian**, Lomonosov State University, Moscow, Russia

**Srboljub Simić**, University of Novi Sad, Serbia

ADVISORY BOARD

**Vladan Djordjević**, Serbian Academy of Sciences and Art, Serbia

**Jovo Jarić**, University of Belgrade, Serbia

SECRETARY

**Borislav Gajić**, Mathematical Institute SANU, Belgrade, Serbia

LANGUAGE EDITOR

**Neda Vidanović Miletić**, University of Kragujevac, Kragujevac, Serbia

**Milena Đorđević**, University of Kragujevac, Kragujevac, Serbia

PRODUCTION EDITOR

**Dragan Aćimović**, Mathematical Institute SANU, Belgrade, Serbia
