

SCOPE

YUJOR - The Yugoslav Journal of Operations Research is an international journal dealing with all aspects of operations research, systems science, and management science. **YUJOR** publishes refereed papers describing significant results in the above areas whether theoretical or empirical, mathematical or descriptive. The international composition of **YUJOR**'s Editorial Board particularly welcomes manuscripts devoted to applications involving novel ideas and relations with future information technologies.

YUJOR publishes contributed papers, survey papers, tutorial expositions, and technical notes. The Journal also has pages devoted to book reviews, calendars of the forthcoming events, and other short messages about the related activities in the professional fields.

It is hoped that **YUJOR** will appeal to interdisciplinary oriented scientists and practitioners including but not restricted to OR specialists, applied mathematicians and engineers, economists and business administrators, military specialists and entrepreneurs.

Yugoslav Journal of Operations Research is regularly reviewed in:

- International Abstracts in Operations Research,
- Mathematical Reviews,
- Zentralblatt für Mathematik and
- Referativnyi Zhurnal.
