

## YUGOSLAV JOURNAL OF OPERATIONS RESEARCH

---

- Publishers:**
- Faculty of Organizational Sciences, Belgrade
  - Mihajlo Pupin Institute, Belgrade
  - Faculty of Transport and Traffic Engineering, Belgrade
  - Mathematical Institute SANU, Belgrade
  - Faculty of Economics, Belgrade
  - Faculty of Technical Sciences, Novi Sad
  - Academy of Technical and Art Applied Studies, Belgrade
  - Mining Institute, Ltd. Belgrade, Belgrade
- Supported by:**
- Serbian OR Society, the Member of IFORS
  - Ministry of Science, Technological Development and Innovation, Republic of Serbia

**Editor-in-Chief:** Marija Kuzmanović, Faculty of Organizational Sciences, Belgrade, Serbia

**Area Editors:**

- Y. Kochetov (Novosibirsk): Discrete Optimization, Integer Programming, Algorithm's Complexity,  
A. Eremeev (Omsk): Approximation Algorithms, Genetic and Evolutionary computing  
B. Jarboui (Abu Dhabi): Machine Learning, AI, Metaheuristics, Automatic Programming  
V. Kovačević Vujčić (Belgrade): Mathematical Programming, Nonlinear Programming  
D. Makajić-Nikolić (Belgrade): Reliability, Risk, Discrete simulation, Combinatorial Optimization  
D. Pamučar (Belgrade): Computational Intelligence, MCDM, Neuro-fuzzy Systems, Soft Computing  
A. Sifaleras (Thessaloniki): Metaheuristics, Supply Chain, Network Flows, Optimization Software  
G. Savić (Belgrade): Performance Analytics, Data Envelopment Analysis, Business Analytics  
S. Salhi (Canterbury): Supply Chain Optimization, Logistics, Routing, Operations Management  
B. Stanojević (Belgrade): Fuzzy Optimization  
M. Vidović (Belgrade): Logistics, Transportation, Modeling  
V. Simić (Belgrade): Soft Computing, Fuzzy sets, Transportation Engineering, Logistics Systems, Environmental Engineering  
S. Narayanamoorthy (Coimbatore): Fuzzy Mathematics, Decisions Science: Multi-criteria Decision Making, Energy, Industrial Engineering
